Destiny Leadership Academy (DLA) is a faith-based leadership school for students of all backgrounds and cultures. We are committed to excellence and providing Marion County quality K-8th grade education with Christian principles and global leadership strategies for students as they advance in the spheres of education, entertainment/media, religion, economics/business, arts, family/community, and government.

It is our mission to provide rigorous academic learning opportunities that promote and support high expectations of success, integrity, and character in which each student is expected to learn and demonstrate learning at high instructional levels. We endeavor to prepare children for their life purpose and destiny as they answer their divine call with responsible roles to become responsible leaders and productive citizens in their communities, their nation, and their world, and to embrace lifelong learning in a safe, positive and Christ-like environment.
